Diamond Flight Academy offers accommodation during the program. The accommodation is located at the airport within 5 minutes walk from aircraft hangars, simulator center and the airport main terminal with local bus stops. The bus takes 6 minutes to shopping centers and 12 minutes to city center.

The accommodation is divided into 3 categories:

- 1) single room with shared shower/toilet (5 available rooms)
- 2) Single room with own shower/toilet (6 available rooms)
- 3) Large single room with own shower/toilet (3 available rooms)

The cost of accommodation is for one person occupying one room during the program. The program is normally 9 weeks, but in case a 10th week would be necessary, no extra cost is charged.

The room is available from the day before the course start until 2 nights after the graduation skill tests.

The cost of the different categories are:

- 1) 9000 SEK
- 2) 13 000 SEK
- 3) 17 000 SEK

The costs are for one person occupying one room during the program. Sheets and towels are included. Cleaning is not included.
